August 15, 1996

Source of Log Entry:

Susan Kyle, EHHA *SBK*

Attendees:

From CPSC

Pary Davis, ESHF
Roy Deppa, ESME
Susan Kyle, EHHA
Elizabeth Leland, ECPA
John Murphy, ESME

Non-CPSC

Arthur Christensen, Smart Industries, Inc.
Maureen Cislo, Product Safety Letter

Several 4-H Students who were visiting CPSC on August 14 also attended the meeting.

Summary of Meeting:

Mr. Arthur Christensen gave a brief description and showed a prototype of a safety base he has designed and patented. The base is a release-type base with the base magnetically held to its anchoring system. Possible advantages and disadvantages of the base design were discussed briefly.
